Chapter President's Message

Dear NIGP Utah Chapter Members:

Happy Holidays!

I want to give you the gift of 10 minutes of time! You cannot return it, because it is already gone and you cannot get back time. During these 10 minutes you have been given, take a moment to reflect on your professional development successes, read something, write something, support someone, give someone a call, meditate, give a compliment, or a simple smile at someone will go a long way!

Thank you for sharing your time with us each quarter! Enjoy your time off!

Please continue to encourage or bring other procurement professionals and your directors to our meetings. They can come as a sideline listener or they are welcome to speak and offer their experience to the chapter. We encourage you to share your knowledge, experience and challenges that you face in procurement that we may be able to help brainstorm ideas for you to take back to work. Remember college "Student" members are free to be a member with us!

Our 2018 chapter meetings will continue to be at the Canyons School District Professional Development Center. Dates are the 2nd Tuesday of the month unless otherwise indicated. You get professional development time for all meetings, NIGP events and committee chairs you are a part of!

Our next meeting:

PRESIDENT: Jason Steinmann- Buyer, Granite School District

Jason works as a buyer for GSD and currently serves as a board member of the Utah Chapter of NIGP. He has been with Granite for three years and previously worked as a buyer for Ultradent Products in South Jordan. He recently graduated with his MBA from Arizona State University. He is passionate about learning and growing professionally. If elected he hops to help chapter members be more engaged in the chapter while receiving top notch professional development.

VICE PRESIDENT: Colette Brown- Senior Buyer, University of Utah

Colette has a Bachelor's in Business Management with a Minor in Supply Chain. She has worked as a buyer in the private sector as well as the public sector and is currently a Senior Buyer at the University of Utah. SECRETARY: Gayle Christensen- Buyer, Canyons School District

Gayle has been in the CSD Purchasing Department for over 9 years, with 5 years prior to that with Jordan SD. She has held many positions and is now working as a Buyer. She loves her job, with the variety and challenges it presents. She has served as the NIGP Utah Chapter Treasurer for the last year and has really enjoyed her association with all of you great people. She especially loved getting to know so many of you as we worked side-by-side helping to make the SLC Forum a rousing success! Her greatest NIGP accomplishment was spearheading the fundraising effort at the Forum, earning just short of \$8,900 for our Chapter! She is passionate about things that she gets involved in, and NIGP is one of those things. She wants to take that passion and move to the secretary role on the Board, doing her best to fill those duties and help the Chapter in any way possible.
